

HOME INSURANCE

IS YOUR BUILDINGS & CONTENTS INSURANCE TAILORED TO SUIT YOUR NEEDS?

FINDING THE RIGHT COVER FOR YOU

At B&G we will advise you on different types of home insurance and the various options available; ensuring that you have the right level of cover by fully understanding your needs.

BUILDINGS INSURANCE

What a lot of people don't realise is that buildings insurance covers not just structural damage to your home but also permanent fixtures and fittings too. These repairs can be a considerable cost so it makes sense to invest in buildings insurance.

CONTENTS INSURANCE

We know that many of your belongings have deep personal value and are irreplaceable. However, should the worst happen it is comforting to know you will receive a payout to help replace necessities like furniture and electrical goods.
